# ROMANCE IS IN THE AIR AT LOCAL EATERIES

BY CAROLINA GUSMAN

**W***ill you be my Valentine?* Valentine's Day is Feb. 14. According to data from online reservation platform OpenTable and point-of-sale software company Toast, more than 30 percent of consumers will celebrate the holiday with their special someone. And restaurants will set the romantic stage with sophisticated menus, decadent desserts and Champagne toasts.

Here's a list of local establishments where you can celebrate on one of the most popular dining day of the year. (A longer list is available at [sandiegouniontribune.com/entertainment/dining-and-drinking](http://sandiegouniontribune.com/entertainment/dining-and-drinking), and more will be published in next week's Night + Day.)

All menus are served on Valentine's Day, unless indicated. All prices are per person, unless indicated. Reservations are required.
