

Spill the Beans Finally Opens Drive-Thru in Ocean Beach

After years of anticipation, Spill the Beans has officially opened their fifth location in Ocean Beach, and this one comes with something new: their first-ever drive-thru. Located at the corner of Newport Avenue and Sunset Cliffs Boulevard, it's positioned perfectly for those pre-beach coffee runs we're always trying to optimize.

The 900-square-foot space features a walk-up window with outdoor seating for about 50, plus that drive-thru option that honestly feels overdue for a brand this popular.

Their signature bagels, made with just five ingredients and boiled in agave syrup, remain the star attraction. We're talking creative flavors like Sundried Tomato & Cheese and Bacon & White Cheddar, plus artisan butters and handmade cream cheeses like White Truffle & Parmesan and Bananas Foster.

Beyond bagels, they're serving up "bagel sandos" like the San Diego with two over-medium eggs and peppered bacon, plus lunch options like the B.B.L.(t).

The drink menu covers everything from cold brew to matcha, with oat, almond, coconut, and macadamia milk alternatives.

 Now Open | Hours through June 30: 7 AM–2 PM | 6 AM–8 PM starting July 1
